

Dr. Bradley Noblett is a Board Certified

Neurosurgeon who emphasizes courtesy, compassion and common sense with each of his patients.

Dr. Noblett received his medical degree from Vanderbilt University School of Medicine in Nashville, Tennessee. He then completed an internship in general surgery and a subsequent neurological residency at University of Utah Health Sciences Center in Salt Lake City, Utah. Dr. Noblett went on to complete a fellowship in Brain Tumor research at University of Utah Health Sciences Center. Today, Dr. Noblett maintains interest and expertise in a wide range of topics, including disorders of the spine, evaluation and treatment of tumors of the central nervous system and cerebrovascular disease. Elderly patients who may benefit from the proper evaluation for the signs and symptoms of Normal Pressure Hydrocephalus and subsequent treatment are of high interest to Dr. Noblett.

When he's not working, Dr. Noblett enjoys spending time with his wife and three children as well as windsurfing and reading.

Dr. Noblett is an active member of AANS and CNS.

Dr. Hector W. Ho is a Board Certified Neurosurgeon who enjoys the breadth and depth of the neurosurgical care offered at Orange County Hospital covering the full gamut including pediatric.

Dr Ho received his medical degree from St Louis University School of Medicine and completed his residency in Neurological Surgery from Northwestern University Medical School in Chicago, Illinois in 1997. In 2006, he moved back to Los Angeles where he had done his undergraduate work in Biochemistry, UCLA. Dr Ho is a member of many professional societies and organizations and enjoys the advances continually being made in the area of biology and the refinements of surgical techniques becoming less invasive in the area of neurosurgery. Precision and safety are paramount to Dr Ho.

Dr Ho does not have a lot of time away from work, but when he does, he enjoys traveling to new places, hiking in the local canyons, is taking sailing lessons and enjoys visiting his children frequently who reside in the Chicago area.

Dr. Lars Anker is a Board Certified Neurosurgeon.

Dr Anker received his medical degree from Hamburg University Medical School of Hamburg, Germany.

He completed his Doctoral Thesis in 1994 at the Department of Neurological Surgery at Hamburg University Medical School. In 1996, Dr Anker completed his Post-doctoral fellowship at the Department of Neurological Surgery, University of Southern California.

He then completed his residency at the Department of Neurological Surgery, University of Minnesota.

He has been practicing on Orange County since 2005 and his main interests are pituitary tumors, brain tumors, hydrocephalus and Normal Pressure Hydrocephalus, spinal instrumentation, minimally invasive spine surgery and vagal nerve stimulators.
