

**Michael J. Fields**

Michael grew up in Southern California. He joined the Air Force a year after graduation. He served in the U.S., Germany, and eventually was sent to Vietnam. Upon his return, he was based in Kansas and when discharged, he decided to stay in Kansas City. It was there he met and married Debbi. Soon after getting married, he decided they should move to California. Upon returning, he was hired by the electrical company, Southern California Edison, where he worked for 37 years. Michael has been retired for the last 3 years.

Michael received his Bachelor's Degree in Anthropology from University of California – Long Beach.

Michael is the President of National Hydrocephalus Foundation and recently became the Lt. Governor, Division 30, of Kiwanis International.

You can find Mike and make contact with him on his Facebook account, the foundation's site on Facebook, and of course, through the foundation's website.
